Growing Together in Christ

PASTORAL MINISTRY OPPORTUNITY

The First Baptist Church of Hoosick Falls, NY is located in a quaint rural village in Upstate New York, close to the Vermont and Massachusetts borders. We are nestled in a beautiful countryside of rolling hills, yet only 10 miles from Bennington, VT and about 30 miles from Albany, NY.

We seek to continue to build upon our rich legacy with a pastor who desires a home where they can serve God and be part of a loving family who loves and serves the Lord.

We are a small church with a current average attendance of 54 but the potential is there to grow more in our own spirituality as well as bringing others to Christ through the fellowship of our church. We have a good mix of ages from babies to those in their 90's. We have an active youth group and women's group. We are active with our local ecumenical church association as well as our denominational association.
